Mike please stop hanging up on me. We have a lot to discuss you can't just send us away and then not talk about anything. I thought we had agreed to be civil and get along for the kids and each other.

Thanks,

Subject: visiting our kids**From:** [REDACTED]**To:** [REDACTED]**Date:** Wednesday, March 21, 2012 8:34 PM

Hi mike I am wondering if you booked your flight and room to come and visit the kids. On april 15th is day at the docks and it would be awesome if you could be there with us to take the kids on boat rides and kids fishing tournament. They will also have many other activities. Let me know please so I can make plans. I believe their school is having a open house around the time you said that you would come and visit I will double check and let you know for sure. It would mean alot to all of us if you could still come out on tha 2nd week of april like you said you would. I will find out for sure about the open house .

Love [REDACTED]
